

Mesec junij pri Barvicah

Junij je bil mesec, ko smo se ozrli na vse, kar smo se naučili in skupaj doživeli v preteklem času. Ob igri, raziskovanju, ustvarjanju, pogovorih in prijateljstvu smo rasli, se učili in krepili pomembne veščine za življenje.

Junij je poseben tudi zato, ker je mesec praznovanj in zaključkov. Tudi v naši skupini se jih je zvrstilo kar nekaj. Junijske dni smo se trudili preživeti bolj sproščeno, v pričakovanju poletja in počitnic. V tem duhu smo šolsko leto tudi zaključili. Predvsem pa s ponosom, ker so otroci skozi leto rasli, postajali odgovornejši in polni novih spoznanj. Kot ob koncu vsakega šolskega leta, se tudi tokrat težko poslavljamo drug od drugega.

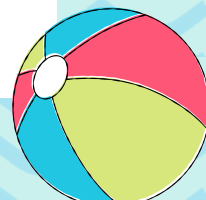

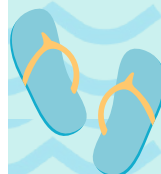

Dragi otroci in starši, hvala za skupno leto, za vse nasmeh, pohvale, spodbude, podporo in sodelovanje. Želimo vam brezskrbne, igrive in sončne počitnice! Znova se vidimo v septembru, polni novega zagona in idej.
